Investment window and facilitate procedures for investors

From the Foundation's efforts to encourage investment continued to adopt the latest standards in the provision of services to recipients of the service, they are proud to launch a service window for new investment, which aims to provide licensing and registration for new projects.

Investment window is all you need to start immediately in your business and management. It brings together representatives were present within an organization to encourage investment of most government agencies on matters of registration and licensing of projects. These representatives are:-

- Ministry of Commerce and Industry
- Ministry of the Interior
- Ministry of Environment
- Ministry of Municipalities and Rural Affairs
- Greater Amman Municipality
- Ministry of Labor
- Ministry of Health
- Ministry of Tourism and Antiquities
- Department of Lands and Survey

In addition, you will find a cadre of qualified staff JIB full-time to facilitate the procedures and follow-up.

Provide a window of investment the following services:

1. Registration of investment projects in accordance with the Companies Act.
2. Issuance of approvals for the initial license to start the projects.
3. Issuing permits and permanent residence visas for investors and foreign labor needed for the project.
4. Follow-up services.

Window provides investment services for projects within the following sectors:-

Industry, agriculture, hotels, hospitals, maritime transport, railways, leisure complexes, centers, meetings and exhibitions, as well as projects for transport services and distribution of water, gas and petroleum products through pipelines, as well as exploitation, or any investment project in which the share of non-Jordanian worth 50000 Dinar Jordanian.

JIB is keen on providing the highest levels of service to investors at all times. Investment window is the first step on the road to facilitate the procedures, and ensure that we improve our services and increase the efficiency of traffic procedures, the Foundation evaluates its services every three months.

To license your business venture, please attach the following documents with the application:-
